CONTEMPORARY CHAMBER PLAYERS

"The only reliable source for a regular season of new music."
—Chicago Sun-Times

Carrying on its long-standing tradition of fostering composition as a living art form, Contempo presents the world premiere performances of five new works by University of Chicago doctoral students. Featuring pieces by Benjamin Hartman, Youna Ko, Michael LaCroix, Allison Ogden and Yao Chen, this concert offers a rare glimpse into the future of concert music in both the United States and abroad.
