CONTEMPORARY CHAMBER PLAYERS

"The only reliable source for a regular season of new music."  
—Chicago Sun-Times

Carrying on its long-standing tradition of fostering composition as a living art form, Contempo presents the world premiere performances of four new works by University of Chicago doctoral candidates. Featuring compositions by William Coble, David M. Gordon, Eun-Young Lee and Krzysztof Wolek, this concert offers a rare glimpse into the future of concert music in both the United States and abroad.
